

Subject: Equalization for Students in Current Grade 11-12

Asalam Alaikum

Dear Parents/Guardians,

We are writing to notify you of the requirements in order to ensure your son/daughter is able to obtain their Equalisation Certificate at the completion of their High School Education.

We would like to advise you that it will be necessary for Grade 12 students to provide the following school documents attested by the Ministry of Education in order to obtain their equalization:

	Required documents for equalization*
1	Grade 10 Final Report Card
2	Grade 11 Final Report Card
3	Grade 11 iGCSE Certificate showing student has passed five approved iGCSE subjects at A*-E /9-3
4	Grade 12 Final Report Card (Issued by the school after receiving the AS/GCE results in August 2020)
5	Grade 12 AS/GCE Statement of Results showing student has passed at least 2 AS subjects at Grade D or above or 1 full A-level subject (AS & A2) at D or above.

*Note: these criteria apply to the current graduating cohort and are subject to change for future graduating cohorts.

In addition, it is important that we share with you that your child must also complete the EmSAT assessment during their last year of High School as these results will be used towards admissions to university within the UAE and towards obtaining their equalization.

I acknowledge that I have been informed of the requirements for my son/daughter to receive the equalization of their High School education and understand that the equalization is a mandatory document to demonstrate the completion of my son's/daughter's High School education.
